

**Declaration**

**Statement on Substances of Very High Concern  
(SVHC Candidates) in articles acc. to REACH**

The following product does not contain any SVHC Candidates above the threshold value (0.1 % by weight for each article) according to Article 33 of the European REACH Regulation (Regulation (EC) No. 1907/2006).

Product identification	Comments
PlasmaFlux PX1 / PX2 dry	--

NB: REACH Article 3/3 defines “articles” as “objects which during production is given a special shape, surface or design which determines its function to a greater degree than does its chemical composition”.

This statement represents our current state of knowledge and can be updated at any time. This statement does neither represent a guarantee of any product properties nor releases any party from its responsibilities, especially defined by local legislation. Fresenius Medical Care accepts no responsibility for injury or loss which may arise from reliance on information contained in this document.
